

Life is what you make it BASS

Intro: Bob Bass – + Am and G – chill before singing

(Am) I can tell you long lost lovers

(Am) If you hide underneath the covers

(F) Life gonna miss and pass you by

(Am) Gotta take some chances, I'll tell you why

(E7) Sing some songs and dance some dances

(F) Don't be scared, you gotta take chances

(E7) Even though you want to cry

(Am) Look the devil (E7) right in the (Am) eye

(F) Life is what you make it

(Am) You can live it or you can fake it

(E7) No matter what you say and do

(F) your life (E7) is up to (Am) you.

Am and G

(Am) Get a train and head for glory

(Am) Let your heart write it's own story

(F) Free your spirit and let it fly

(Am) Don't let the passion inside you die

(E7) Look at the dawn with a heartfelt smile

(F) Feel the night, make it last a while

(E7) Wish on a star, make dreams come true

(Am) Let your heart write a (E7) song of the (Am) blues

Sing Chorus

Instrumental verse and chorus

Am and G

(Am) Throw off the cloud that lingers blue

(Am) Pull up the shutters, let the sun find you

(F) Love can come in many guises

(Am) So if opportunity arises

(E7) Share the warmth of another's arms

(F) Sleep like an angel with ghosts of calm

(E7) Listen to the soul of the spirits fly

(Am) Hear the call (E7) let it take you (AM) high

Chorus x 2 and repeat last line
