(Cm) Take me to the darkness so I don't know (Fm) night from (G) day

(Cm) There's still time, if you (Fm) come right now

(Cm) To save me from the fire (G) save my soul

(Cm) Keep my heart from the (Fm) flames and danger

(Cm) Reachin' out for your (G) hand to (Cm) hold

There was (Cm) a time when the (Fm) the sky was filled with (Cm) splendour

But my (Cm) sins are great and it's (Fm) now I have to (G) surrender

I'm holding (Cm) out because I (Fm) don't want to go

Waiting for the (Cm) cold, it's gonna take my (G) soul

My spirit is (Cm) waiting for a (G) ghost to take it (Cm) away
